1. Before Submitting Input

The screenshot shows the 'News Article Classification' app interface. At the top, there is a title 'News Article Classification' and a subtitle 'News Article That You Want To Classify'. Below this is a text input field containing the example text: 'eg: - Football is the most widely played sport in the world.' A 'Predict' button is located below the input field. The bottom of the screen shows the Streamlit logo and the text 'Made with Streamlit'.

News Article Classification

News Article That You Want To Classify

eg: - Football is the most widely played sport in the world.
